

THE 9 CORE CONVERSATIONS

MONEY, RESOURCES AND SURVIVAL

In a dog-eat-dog world, Money, Resources and Survival is a core conversation that cuts through to the very existence of each human as a survival being. While frantic accumulation of wealth and possessions seems to be the order, it leads to very little satisfaction. The things you own may well just end up owning you. The key to unlocking Money, Resources and Survival lies in the heart of dealing with your fear of inadequacy and how to utilize the right tools for survival and thrive in a complex environment.

RELATIONSHIP, PARTNERSHIP AND FULFILLMENT

Ever felt alone while in the company of friends and loved ones? Relationship, Partnership and Fulfillment is a core conversation that revolves around the notions of aloneness, company, and intimacy. By probing into your ability to create fulfilling relationships and partnerships, you will be able to break through any relationship patterns that have dogged your life, and finally begin to relate to people on a whole new level.

PERFORMANCE, EFFECTIVENESS AND RESULTS

Where does potential live in a results-oriented world? Are you geared up to make things happen, perform at your peak and get the results you want? What does it take to break through weak performance patterns to ensure success? By mastering the ability to make an impact in this area, you will be able to realize your intentions sooner than you think and surpass your goals.

FREEDOM, CHOICES AND INDEPENDENCE

They say freedom comes at a price. However, imagine the possibilities you can have when you finally make independent choices, unbound by labels, roles and brands. Freedom, Choices and Independence addresses your identity, growth, maturity, and self-sufficiency as an individual. What would it take for you to be free to live the life you have always wanted, right now?

ATTRACTION, CHARISMA AND MAGNETISM

Having the ability to attract, intrigue and influence people is particularly desired in the arena of love, romance, and business. In this conversation, you will unravel the secrets of attracting and drawing the people, deals, and situations you want!

POWER, LEADERSHIP AND CONTROL

Power, Leadership and Control is the primary game of dominance for every authority in this world, and the ability to lead, control and have power is highly desired. This core conversation deals with the development of one's influential ability from the viewpoint of a commander, a leader and a powerful being. However, at the heart of power lies self-mastery, and at the heart of leadership lies the ability to lead oneself.

INTELLIGENCE, VISION AND CLARITY

Is genius a product of nature or nurture? Does intelligence entail having acute knowledge of a subject and having the clarity to apply that or does it stem from within us? How can you become exceptional? This core conversation deals with your brilliance and how to bring it forth in spite of the opportunities you have missed.

AWARENESS, ACTUALIZATION AND ILLUMINATION

What is the meaning of life? What makes you truly happy? Who are you, and what do you really want? What questions have you been asking to which you can't seem to find an answer? When you're ready to meet yourself, you begin unravelling the mystery of life and end your search for the truth about who you are, and your happiness.

THE WORLD AROUND US

Our awareness of the workings of the world around us has to do with understanding the dynamics of what makes things tick. The influence of human dynamics on the mechanics of the world is an aspect of this conversation. When you get how this works, the world shows up for you in accordance with your intentions.
